

Dear Neighbor,

**Saturday, June 4**  
9 am to 4 pm

The Bowmanville Community Organization (BCO) is sponsoring its annual community-wide garage/yard sale on Saturday, June 4. All residents living in the BCO boundaries (Foster to Bowmanville, and Ravenswood to Western Ave.) are invited to participate!

**Advertising**

To get word out, we will advertise the Sale in newspapers and targeted online websites. We will also print and post signs in local businesses. To cover the cost of advertising, we are charging a nominal **\$10.00 fee for BCO members** and **\$15.00 for non-BCO members** (but you may join the BCO at any time to take advantage of the member discount!).

Prior to the Sale you will receive a kit with copies of the Street Sale flyer—you can **distribute these in busy places** like local businesses, churches or grocery stores. **Maps with addresses of participating homes** will also be included, which you can distribute to Sale shoppers. Also please post the information about the Street Sale to your **social media accounts**. Advertising is strategic to a successful Sale!

**Registration and Permit**

Normally, the city of Chicago requires individual permits for all yard/garage sales. But the BCO has asked Alderman O'Connor for a special permit to cover EVERYONE who will participate in the Street Sale! This group permit only authorizes sales under the umbrella of the BCO, so **you must be a registered event participant with the BCO**. To register, complete and **mail/deliver the application and fee** to the address below or **register and pay online at the BCO website: [www.bcochicago.org](http://www.bcochicago.org)**.

Questions? Need additional information? Contact Laura Schmidt at 773-349-2268 or [vp@BCOchicago.org](mailto:vp@BCOchicago.org). In order to have your Sale location listed on the map, this information must be received by the deadline date.

**DEADLINE for map inclusion is Saturday MAY 28**

-----Cut and send to BCO today-----
