

Permanent Greenspace Secured for Bowmanville Community

- **The Bowmanville Community Organization is proud to announce the successful acquisition of the property at 5384 North Bowmanville Avenue, as Phase I of our greenspace initiative.**
- **Funding** for the purchase of the property was made possible through the generous support of the City of Chicago and CorLands, a division of Openlands. Friends of the Parks serves as our fiscal agent and is a 501 (C)(3) federally registered tax-exempt organization.
- **Design of the space** will stem from the next **community charrette**, or brainstorming session, which will be held on **Saturday, August 21 at 1pm in the Tempel Steel Training Room. Your input is critical** as we address issues such as usage, safety, and sustainability — and work to make this a truly community-owned space.
- **Development of the site will be completed through your contributions and volunteerism. OUR goal** is to raise \$50,000 and donate 5,000 hours of community service. Your full donation to BCO GreenSpace is tax-deductible to the extent allowed by law.
