

# Help us complete the Bowmanville GreenSpace installation this Spring!

Our GreenSpace is coming together! We survived last summer's drought and made some serious progress on the GreenSpace last summer. This spring, please save the date for our work days to help bring our plan to its full fruition.

## Make it safe and ready to play!

**Saturday, April 6, 2013, 9 am – 2 pm**

We need volunteers to help get the site ready for the permanent installations of the stump stomp and rock walk areas. The work day will include the installation of stumps in the stump stomp area, repair of the edging, weeding, and miscellaneous repairs to the site following a long winter.

**What to bring:** gloves, sledges, shovels, weeding tools

## Go native!

**Saturday, April 20, 2013, 8 am – 3 pm**

The focus of this work day will be the installation of native grasses along the extension of the garden. We will also be making repairs to the rain garden. As a bonus, we will have a **visiting expert in native plantings** to explain their benefits in the afternoon.

**What to bring:** gloves, shovels, planting tools, weeding tools

## Ready to party!

**Saturday, May 4, 2013, 8 am – 3 pm**

The focus of this work day will be the installation of plantings around our community gathering space, which will include native plants and perennials. We will have a **special guest musician** to christen our new arbor in the afternoon.

**What to bring:** gloves, shovels, planting tools, weeding tools
