

Bowmanville Earth Day Cleanup Art Contest

Bowmanville is hosting its annual Earth Day cleanup in April, and we'd love your help getting the word out!

We're looking for Bowmanville and Amundsen, Chappell, and RPMS students to create an engaging image for us to use in our emails, flyers, and social media to get our neighbors excited to do their part on Earth Day.

The winner will receive a **\$75 Amazon eGift Certificate** and be credited by name* every time we use the image! We'll also feature your work in our quarterly newsletter.

** if desired!*

Contest Rules...

All entries must:

- Be an original earth and/or nature themed creation by a neighborhood student
- Include the words:
Bowmanville Earth Day Cleanup 2023
- Be submitted as a digital image: .jpg or .png – but the original artwork can be executed in any medium
- Be **8" wide by 4" tall** (2400 px by 1200 px)
- Be emailed to publicart@bcochicago.org
Subject Line: 2023 Earth Day Art Submission
- Include your **full name & the school you attend** with the entry
- Be received before **11:59 pm on Friday, March 24th**

Judges and Judging Criteria:

- Entries will be anonymized and judged by members of the BCO Board
- Entries will be evaluated based on:
 - Originality, creativity, and artistry of design
 - Clear and engaging text and imagery around the topic appropriate for use in social media posts and printed flyers
 - All the rules for image design and submission are met (as outlined above)
 - Artwork must be original... it may not include any copyrighted images or materials

Winners will be notified via email.
